AustCham Convoy for Kids Annual Golf Day at Royal Golf & Country Club, 23 May 2008

This year's Convoy for Kids Golf Day was another record with approximately 150 players enjoying a round on the picturesque Royal Golf & Country Club Ladkrabang. Starbucks was on hand in the early hours of the morning to help wake everyone up with a cup of coffee. The sun was out to make a perfect day.

This year's Golf Day was supported by a long list of sponsors and prize donors who made the day great. The Chamber and the Convoy for Kids Sub-committee would like to thank everyone involved for helping put on such a successful day.

The record proceeds made from the Golf

Day go to support the Foundation for the Welfare of the Crippled as well as other AustCham approved charities and, of course, the Convoy for Kids big day of fun for the kids in November. ■

Thank You to All Sponsors and Donors for Supporting the 2008 CFK Golf Day
