

# Sömnig.

No one flies to more destinations in Scandinavia and Northern Europe than we do. Check out all our destinations and timetables at [www.flysas.com/th](http://www.flysas.com/th). By the way, "Sömnig" means **sleepy** in Swedish. As in, make the most of your time – fly in **Business** and enjoy the comfort of our Business Sleeper. Just turn the lights down and tuck yourself in our cozy comforter with cotton sheets and pillow case. Sweet dreams!

**Copenhagen Stockholm Oslo Helsinki and more than  
60 other Scandinavian destinations\*.**
